ANNUAL REPORT OF  
HAYNES LIBRARY ASSOCIATION.

---

Once more we make our annual report of the doings of the library. The past year has seen but little change in our library; some new books have been purchased, some given by friends for which the trustees return thanks.

A table has been purchased for the convenience of those who wish to examine books in the library room. A hood has been erected over the front door to protect the door from the weather and to save ice from freezing on the steps.

Mrs. Bullock has, as in years past, proved a most efficient librarian. The reports of the librarian and treasurer will show in detail all business done by them.

Respectfully submitted,

A. F. CHENEY, Secretary.
